The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Granger and Ranking Member DeLauro:

I am requesting funding for "Pleasant Street Sidewalk Infrastructure Improvements" in fiscal year 2024.

The entity to receive funding for this project is City of Medfield, located at 459 Main Street, MA 02052.

The funding will be used develop a 5-½ foot concrete sidewalk with granite curbing with ADA compliant ramps and panels. The project is an appropriate use of taxpayer funds because it would improve pedestrian safety, access, and Americans with Disabilities Act compliance in a residential village of the town. The Pleasant Street neighborhood is located in the downtown and within walking distance of the Medfield High School and Blake Middle School and Metacomet Park.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b) (Surface Transportation Block Grant Program).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JAKE AUCHINCLOSS
Member of Congress
